### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ed Wise on 11/10/04.

The application has been amended as follows: Per the Remarks in After Final Amendment filed on 9/30/04 and per Applicant's Attorney, cancel the following claims: 1-5, 7-9 and 12-14.

### ***Reasons for Allowance***

2. Claims 10 and 15-23 are allowed over the prior art of record. Claims 10 and 15-23 are renumbered as 1-10 respectively.

3. The following is an Examiner's Statement of Reasons For Allowance: The prior art of record does not teach nor suggest "a control unit for charging fees only to providers of the additional images when the additional image mode is selected at said mode selection unit" as stated in independent claim 10. Independent claim 15 contains a similar limitation: "a control unit for placing a charge for printing the document images and, in the case of the second print mode, further charging fees to a provider of the additional images and, in the case of the second print mode, altering the ratio of the

charge imposed on the provider of the additional images and the charge for printing the document images, depending on times required for printing the additional images".

Independent claim 21 contains a similar limitation: "a step of charging a first fee to the print of the document images when the first mode is selected and a second fee smaller than the first fee when the second mode is selected".

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably **accompany** the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
